

## COUPEVILLE MARITIME HERITAGE FOUNDATION Business Membership Application

**The Mission** of the CMHF is *To preserve the maritime heritage and traditions of Coupeville, Penn Cove and Whidbey Island through education and public awareness.* The Schooner Suva, originally built for Coupeville resident Frank Pratt in 1925, is owned by the CMHF, whose carefully trained volunteer hosts and crew members proudly operate Suva according to Coast Guard regulations. Whidbey Island enjoys a rich maritime history with countless stories dating back to the discovery of the island in the late 1700's. It is our hope to gather these stories and experiences and share them far and wide, making new ones along the way.

### **Your membership and donations help CMHF reach its goals of:**

- Preserving our Maritime Heritage
- Operating and maintaining schooner Suva
